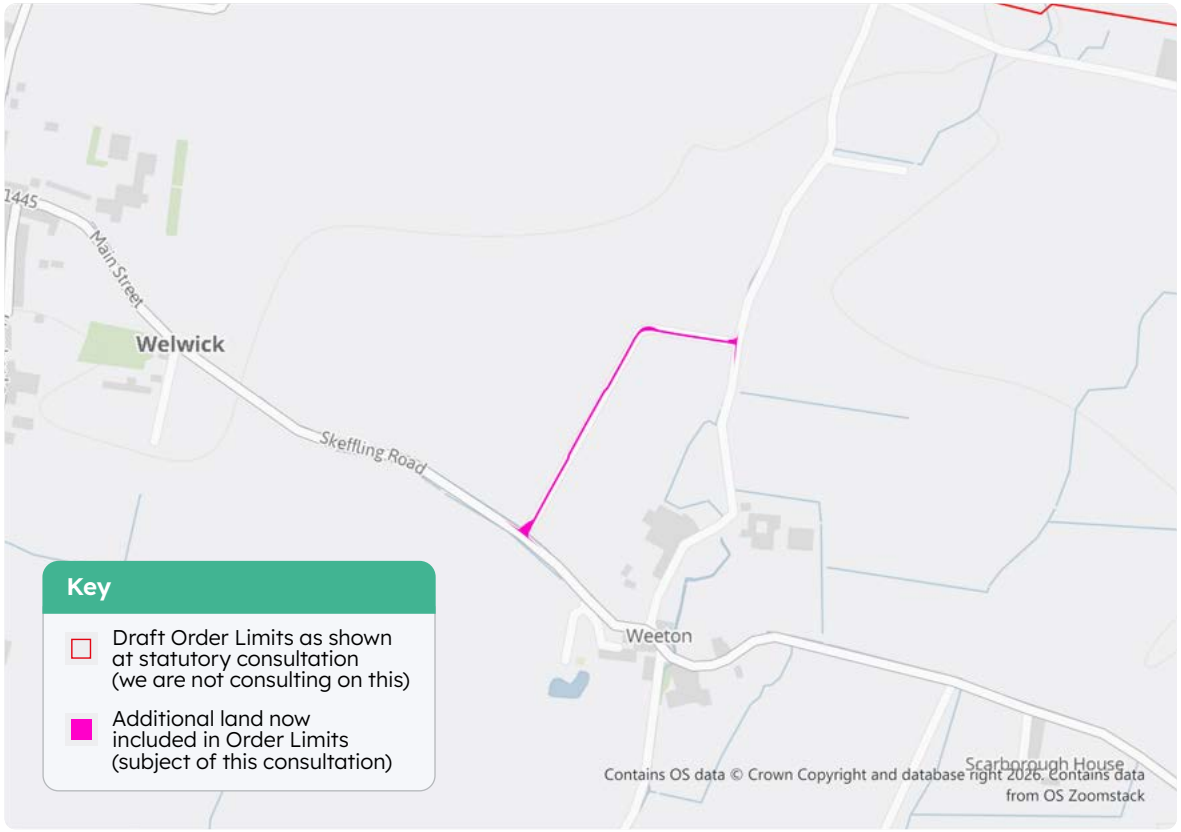
CHANGE 29 - ADDITIONAL ACCESS TRACK AT WEETON



Location	West of Weeton
Local Authority	East Riding
Parish	Welwick Parish Council
Reason for change	Consultation feedback
Land requirement	Temporary
Size	Approx 0.3 hectares
Description of change	Additional land included in the Order Limits to allow for temporary use of existing private track connecting B1445 Skeffling Road to Rysome Road. The statutory consultation proposed using Rysome Road as a minor access route for occasional HGV use. Inclusion of the private access track would allow option for HCCP construction traffic to avoid the southern section of Rysome Road and the B4115 Skeffling Road / Rysome Road junction. The track would mean that construction traffic can route further away from properties in Weeton. Use of this track is supported by the Highways Authority. Environmental information relating to this change can be found on **www.nephccp.co.uk**
